

## Standard License EULA

(For organizations with fewer than 50 employees)

Last updated: 2025

### 1. Grant of License

Work by Taylor ("Licensor") grants the Licensee a perpetual, non-exclusive, non-transferable license to use the accompanying Font Software. This license applies to any individual or organization with fewer than fifty (50) total employees. Should the Licensee's organization grow to 50 or more employees, an upgrade to the Extended License is required.

### 2. Permitted Usage

The Licensee is permitted to use the Font Software for a comprehensive range of commercial and personal projects. These usage rights include, but are not limited to:

- Desktop Use: On an unlimited number of computers within the Licensee's organization.
- Webfont Use: On an unlimited number of websites with unlimited monthly pageviews, using @font-face or similar technologies.
- App & Game Embedding: In an unlimited number of mobile or desktop applications, games, or electronic publications.
- Broadcast Use: In television, film, video, and streaming content for commercial, artistic, or broadcast purposes.
- Logos & Branding: For use in logos, wordmarks, and corporate identity systems.
- Products for Sale: For use on physical or digital products intended for commercial sale.

### 3. Restrictions

The Licensee may not:

- Resell, sublicense, lease, or otherwise redistribute the Font Software file itself, or any modified version of the font file.
- Modify, decompile, reverse engineer, or alter the source code of the Font Software file. (Converting text to vector outlines for design purposes is fully permitted).
- Use the Font Software to create or sell a derivative font software product.
- Install or use the Font Software on a server that allows unlicensed users to create customized products or documents. A separate Server License is required for this type of use.

### 4. Copyright and Ownership

The Font Software is the exclusive property of Work by Taylor and is protected by copyright law. This license grants extensive usage rights but does not transfer ownership of the Font Software's copyright.

### 5. Termination

This license may be terminated by Work by Taylor if the Licensee breaches any of its terms. Upon termination, all copies of the Font Software must be deleted.

### 6. Governing Law

This agreement is governed by the laws of the State of Hawaii, United States.

### 7. Entire Agreement

This document constitutes the full agreement between Licensor and Licensee regarding the Font Software.
